# Olympic and Paralympic Games Tokyo 2020 Venues Plan

(The information included in this leaflet is current as of June 2019.)

## Venue Plan Concept : Infinite Excitement

The venue plan for the Olympic and Paralympic Games Tokyo 2020 consists predominantly of two thematic and operational zones: the "Heritage Zone" which houses several iconic venues used at the Tokyo 1964 Games and further sustains the enduring legacy of Tokyo 1964; and the "Tokyo Bay Zone" which serves as a model for innovative urban development and symbolises the exciting future of the city. These two zones expand across the city to form an 'infini' symbol with the Athletes' Village positioned at the point where the two zones intersect – at the physical and spiritual heart of the Games. The 'infini' symbol embodies the boundless passion, commitment and inspiration of the world's elite athletes, the limitless potential of future generations, and the lasting legacy that will be passed on to the people of Tokyo, Japan and the world.
