

TOKYO FORWARD

Use Tokyo 2020 as an opportunity to update Tokyo!

Remove electric poles on the target Tokyo Metropolitan roads by the 2040s.

Safety and Security

Hold domestic and international major tournaments to make the venues where citizens can gather.

Urban Development

Change the whole city into a sporting field where everyone can enjoy sports.

Sports and Health

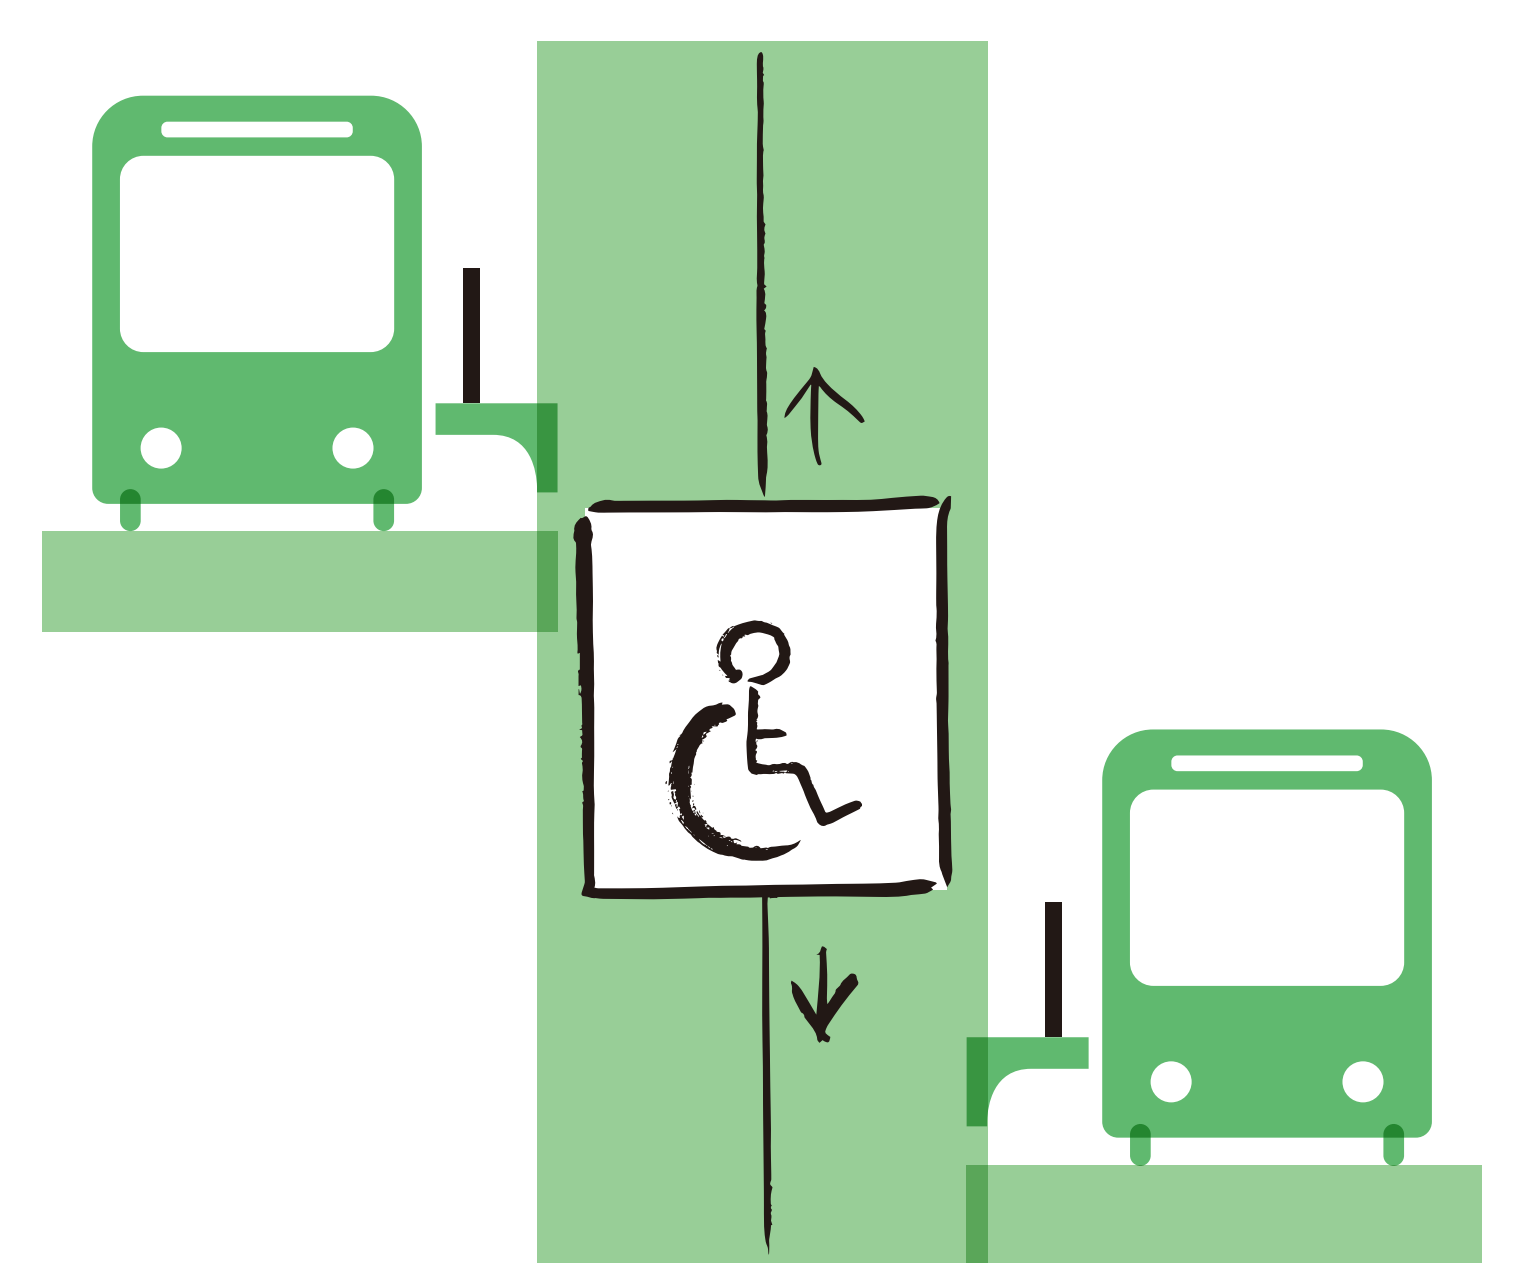

Attract the world to Tokyo with over 30 million foreign travellers visiting Tokyo by 2030.

Culture and Tourism

The Tokyo Metropolitan Government Partnership Oath System ensures that everyone lives their life as they like in this city.

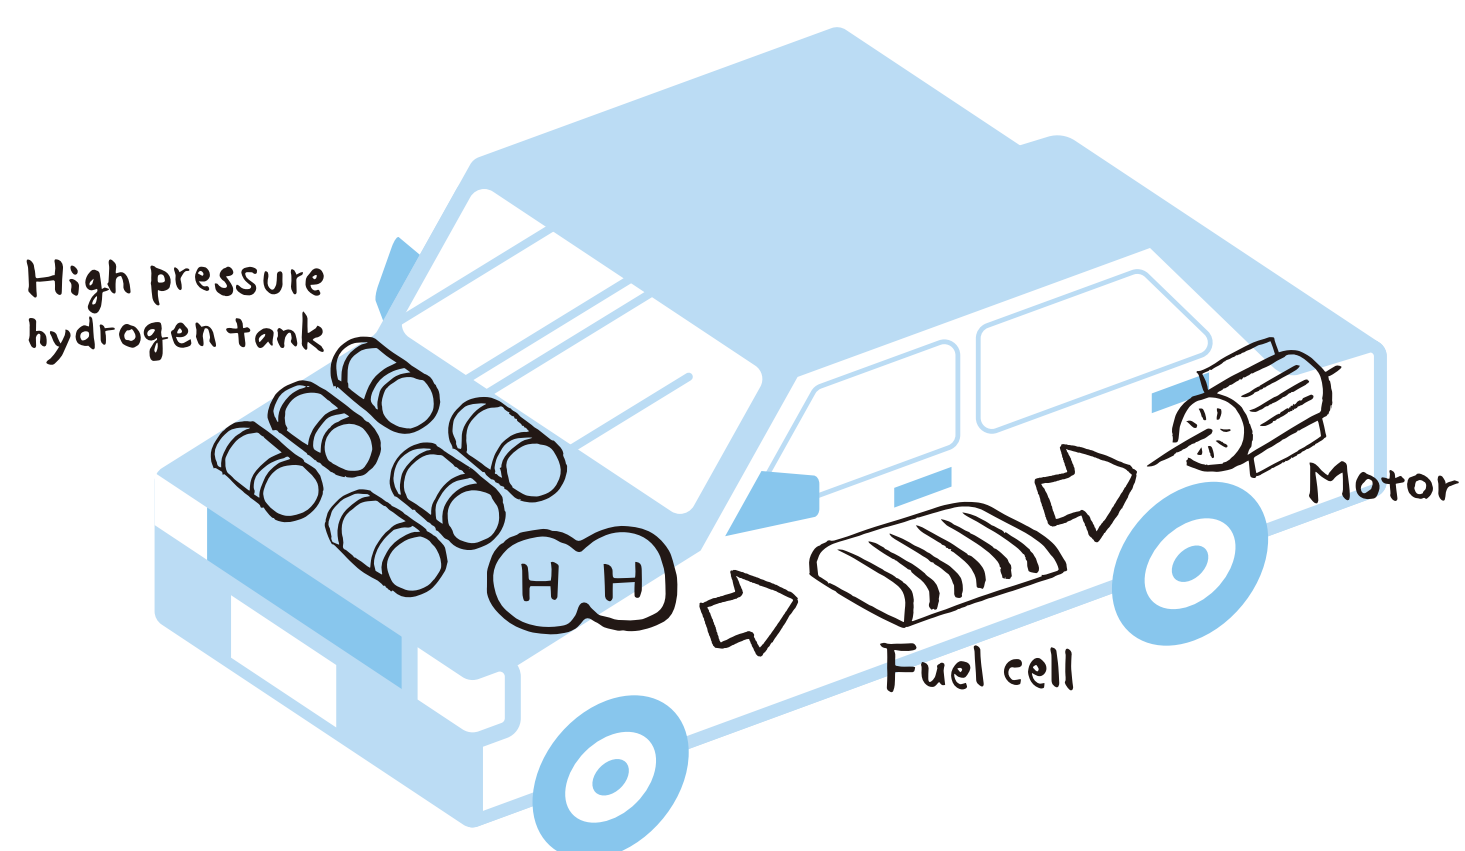

Education and Diversity

Eliminate barriers at the underground stations and build doors on all the platforms.

Education and Diversity

2030 Carbon Half

Make newly sold passenger vehicles ZEVs by 2030.

Environment and Sustainability

TOKYO Data Highway

Tokyo is ready to connect anyone, anytime, anywhere.

Economy and Technology

For more information, check our "Tokyo 2020 Legacy Report."
